

Legal Notice  
For  
Air Quality Operating Permit  
for Decker Junction Central Delivery Point of Harvest Four Corners LLC

Harvest Four Corners LLC at 1755 Arroyo Dr; Bloomfield, NM 87413 has submitted an air quality operating permit application to the New Mexico Environment Department (NMED) for an air quality operating permit for its Decker Junction Central Delivery Point. The owner of this plant is Harvest Four Corners LLC. The exact location of the facility is at latitude and longitude decimal degrees: 36.967833, -107.917969 Datum: WGS84. To aid in locating this facility, the approximate location is 10 miles N-NE of Aztec in San Juan County, NM. This application file has been assigned an Operating Permit Number P034-R4 and TEMPO Agency Interest ID No. 1267.

Previously, the facility received an air quality construction permit and is in operation. The main purpose of the facility is to compress and dehydrate pipeline quality natural gas for pipeline transmission using natural gas-fired reciprocating engines.

This operating permit application is for a permit renewal. Per 20.2.70.401.C.(4) NMAC, this permitting action will assess all applicable requirements, including the incorporation of New Source Review (NSR) and TV permit actions since the previous TV renewal. The principal NSR action being incorporated is PSD-1228-M4 (issued 2-25-2020). That action increased the VOC emissions for each of the five (5) permitted glycol dehydrators (Units 18a, 19a, 19c, 20a, and 20c), and added VOC emissions from the two (2) produced water tanks (T-46 and T-50).

The emissions, as established in NSR Permit 1228-M4 and brought forward into this permit are as follows. Parentheses note changes in emissions from previous operating permit – P034-R3. Emissions are expressed in tons per year (tpy). Nitrogen Oxides (NO<sub>x</sub>) at 101.1 tpy (no change); Carbon Monoxide (CO) at 178.1 tpy (no change); Volatile Organic Compounds (VOC) at 110.2 tpy (+13.8); Particulate Matter 10 microns or less (PM<sub>10</sub>) at 2.4 tpy (no change), Particulate Matter 2.5 microns or less (PM<sub>2.5</sub>) at 2.4 tpy (no change); and greenhouse gas (CO<sub>2</sub>e) at 80,825 tpy.

The NMED has conducted a preliminary review of the information submitted with the permit application. This review included evaluation of the emission rates and applicable requirements to determine compliance. The NMED has made a preliminary determination that this facility will comply with the requirements of Title 20, New Mexico Administrative Code (NMAC), Chapter 2, Parts 7, 61, 70, 71, 72, 73, 74, 77, and 82; 40 CFR 50; 40 CFR 60 Subparts A, JJJJ, OOOOa; 40 CFR 63 Subparts A, HH, and ZZZZ; and the New Mexico Air Quality Control Act. Therefore, the preliminary intent of NMED is to issue the air quality operating permit on or before June 12, 2021.

Interested persons may obtain the draft operating permit, submit written comments, or request a public hearing on Operating Permit Number P034-R4 by contacting Jim Nellessen at the New Mexico Environment Department, Air Quality Bureau, 525 Camino de los Marquez Suite 1, Santa Fe, NM 87505-1816.

Written requests for public hearing must state the nature of the issues proposed to be raised in the hearing. Comments must be based on the requirements of the applicable state and federal air quality regulations and the Clean Air Act. Comments or hearing requests must be received within 30 days after the public notice is published.

Due to the public health emergency order, certain NMED offices are closed to the public. The permit application is currently available for review on the AQB Public Notices of Permitting Actions website [www.env.nm.gov/air-quality/public-notices-of-permitting-actions/](http://www.env.nm.gov/air-quality/public-notices-of-permitting-actions/). The Department contact in Santa Fe is Jim Nellesen at [james.nellesen@state.nm.us](mailto:james.nellesen@state.nm.us). Este es un aviso de la oficina de Calidad del Aire del Departamento del Medio Ambiente de Nuevo México, acerca de las emisiones producidas por un establecimiento en esta área. Si usted desea información en español, por favor comuníquese con esa oficina al teléfono 505-476-5557.

**Notice of Non-Discrimination**

NMED does not discriminate based on race, color, national origin, disability, age or sex in the administration of its programs or activities, as required by applicable laws and regulations. NMED is responsible for coordination of compliance efforts and receipt of inquiries concerning non-discrimination requirements implemented by 40 C.F.R. Part 7, including Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, and Section 13 of the Federal Water Pollution Control Act Amendments of 1972. If you have any questions about this notice or any of NMED's non-discrimination programs, policies or procedures, or if you believe that you have been discriminated against with respect to a NMED program or activity, you may contact: Kathryn Becker, Non-Discrimination Coordinator, NMED, 1190 St. Francis Dr., Suite N4050, P.O. Box 5469, Santa Fe, NM 87502, (505) 827-2855, [nd.coordinator@state.nm.us](mailto:nd.coordinator@state.nm.us).
