

Petition to Ms. Pam Castaneda, NM Environment Department

REMAND NM COPPERULES BACK TO NM ENVIRONMENT DEPT FOR REVISION

We, the undersigned, are concerned citizens who respectfully request Ms. Pam Castaneda, Commission Administrator, NM Environment Department to act now to have the NM Copperules remanded back to the NM Environment Department for revision on the grounds that the proposed rules violate the protection afforded under The Water Quality Act in place in NM for over the last 35 years.
